

HOW TO APPLY PEEL & STICK FLOOR TILES

Step 1

Tools for the job !

Step 2

Clean surface to remove any dirt and dust.

Step 3

Fill any gaps or recessed grout lines to make the surface completely flat

Step 4

To cut tiles, score on reverse

Step 5

Snap the tile back to remove the cut piece

Step 6

Peel away the backing paper

Step 7

Butt join the tiles and stick to the floor

Step 8

Allow 24 hours for the adhesive to bond

After care

The vinyl floor tiles can be cleaned easily using normal household cleaners

After care

Vacuum cleaners are fine to use too!
Caution - Take care with sharp objects!
